

Brass Combination Padlocks

Our combination padlocks are made from a solid piece of brass and a mechanism resettable to your own code. Each padlock is individually boxed with it's own instructions.

We have three sizes available to cover a range of uses. The 20mm for luggage and laptop bags, the 30mm for lockers / sports bags and the 40mm for lockers also, general purpose and higher security situations.

We have taken special care to ensure the numbers on each dial are clearly visible and easily adjusted.
